## Footnote Descriptions

- 1 This is a one-year extension of the original factory warranty (SC1, except SC3 where SC1 is not available). Covers all parts, labor, and recalibration or performance tests necessary, for instruments which fail during the warranty period. This price is subject to a 10% discount if purchased with a new instrument or while the instrument is still under the original factory warranty period.
- 2 Limited distribution. Call 1-800-44-FLUKE for your nearest distributor location.
- 3 Also marketed through designated manufacturing representatives. Call 1-800-44-FLUKE for the names and locations nearest you.
- \* An instrument or related option. See catalog or data sheet for compatibility.
- \*\* One option—maximum. To order, add the price of the option to the price of the instrument and substitute the option number for 003.
- \*\*\* One option per group—maximum. To order, add the price of the option(s) to the price of the instrument and substitute the digit(s) in the option number(s) for the corresponding digit(s) in 011. Example: PM 6652C/011 with Options 5-- and -2- would be ordered as PM 6652C/521.
- †† Does not include field installation or calibration.
- ††† Limited availability.

## CE Marking per EMC and Low Voltage Directive

**X** = CE not required per directive in order to be sold in European Union  
**Y** = Declaration of Conformity available for CE marking and may be sold into European Union
